

Dear Student:

Attached is the application and recommendation form for The Jewish Museum's High School Video Workshop series. In this workshop series, you will learn the basic skills of video production including storyboarding, shooting with a digital video camera, and editing in order to create a collaborative original film. The final film will be shown during a special screening and reception for family and friends held at The Jewish Museum.

The workshops will be held on Thursday afternoons from 4:30 pm until 6:30 pm at The Jewish Museum (1109 Fifth Avenue @ 92nd Street). The series begins on October 15 and ends on December 10 (no class on November 26). There is **no cost** for this workshop series, but you must commit to attend all of the sessions. Space is limited.

Please complete the application and give the recommendation form to a teacher or advisor. The application and recommendation need to be returned by **September 30**. You will be notified if you have been accepted into the workshop series. If you have any questions, please do not hesitate to contact me at 212.423.3231 or via email at gkudon@thejm.org.
